

# Learning Too Fast, Too Slow, and Just Right

**Instructions:** Look at the pictures below. If the picture shows the car's speed as *Too Fast*, color it RED. If the picture shows the car's speed as *Too Slow*, color it YELLOW. If the picture shows the car's speed as *Just Right*, color it GREEN. Use the *Speedometer Teaching Cards* included in the *Sensory Diet Cards* or the *Speedometer* in the appendix of this book as a reference (page 67).
